BURKENTINE RECOGNIZED BY GLOBAL ORGANIZATION AS INDUSTRY “RISING STAR”

Hanover, PA (December 9, 2022) Michael Burkentine, co-owner of Burkentine Real Estate Group was recently named “SFR Rising Star 2022” during an awards ceremony that was held in Scottsdale, AZ on December 4th. The event was hosted by IMN (Information Management Network), a global organizer of institutional finance & investment conferences.

This year marked the launch of IMN’s inaugural **SFR Industry Awards**. Participants included Investment Brokerages, Construction & Development Companies, Property Management Firms, REIT’s, and Fix & Flippers to name a few. The award was created to acknowledge the contributions of a new generation of leaders (under 35) making a difference in the SFR (Single Family Rental) industry.

“All of us at Burkentine are passionate about our work in this industry. I thank Information Management Network for this national recognition for our hard work delivering high-quality rental homes to key markets across the USA.”
– Michael Burkentine

A Forward Thinking Leader

Mike grew up in the construction trade, following in the footsteps of his father, Paul Burkentine who founded the company in 1989 as a custom home builder.

When Mike and his two brothers, Bryce and Bryan took over the company, they were keenly aware of the industry’s need for multifamily housing. As millennials themselves they knew that people their age, (many of whom worked from home) desired a flexible lifestyle, looking for amenities such as pools, dog parks, gyms, and clubhouses. To meet that need, the company pivoted to focus on the development of multifamily townhomes, apartments, and mixed-use communities.
